Professional Experience

Unnamed Composition LLC

2025 - Present

Chief Executive Officer (Full Time)

Founded and leads a 3D game asset studio specializing in avatars, accessories, and digital content for major gaming platforms, overseeing production pipelines and artist teams to deliver high-quality assets at scale.

- Manages and directs a team of 3D artists, ensuring consistent quality, efficient workflows, and on-time delivery across multiple concurrent projects.
- Oversees the creation of avatars, accessories, and game-ready assets for various gaming platforms, maintaining alignment with platform standards and audience trends.
- Established a cross-platform presence on Roblox, IMVU, VRChat, and Zepeto, delivering tailored 3D assets that align with each platform's technical requirements and user expectations.
- Developed production pipelines and asset guidelines to streamline collaboration and improve output consistency across teams.
- Drives business growth through client relations, team expansion, and scalable content production strategies.

Jazwares

2022 - 2025

3D Artist (Full Time)

Created 3D assets, promotional renders, and packaging art for licensed toy lines, mobile/PC games, and entertainment IPs, collaborating closely with art directors and marketing teams.

- Designed and modeled high-quality 3D assets, including characters, environments, and props, for top performing games and licensed toy lines.
- Created promotional renders and packaging art contributing to increased product visibility at major conventions including NY Toy Fair (2025) and San Diego Comic-Con (2023).
- Produced digital promotional items for high-profile film releases (Smurfs, 2025; Godzilla x Kong, 2024) viewed by millions globally.
- Artwork featured in Toy World Magazine (Royale High, May 2024).
- Collaborated with cross-functional teams to deliver assets for toy lines including DevSeries, Cobra Kai, Royale High, and Adopt Me!, meeting all deadlines ahead of schedule.

Yellowbrick / NYU Tisch Animation Industry Essentials

2024

Speaker (Contract)

Contributed professional expertise as a featured industry artist in a global online course.
